MAKE-UP CLASSES

- We understand at B.E.S.T. that there will be times that you will be unable to attend a class due to life occurrences.
- It is not necessary to call the office in advance to let the instructors know you cannot make a class.
- Please call the office to schedule a make up class.
- Please understand that scheduling make-up classes is at the discretion of B.E.S.T.
- B.E.S.T. will try to provide the best class times and location alternatives that have space available.
 - We do not EVER guarantee nor insure that there is a facility close by or a class alternative for you to participate in.
 - It is on a first come first serve basis and we reserve the right to limit make-ups and or Trials to one person per class, per week. So please do not wait until the last week as we most likely will not be able to honor your request.
 - Make ups have no cash value and can not be applied towards future sessions or given to another member or non-member.
 - Classes not made up upon completion of the session are automatically forfeited and will not carry over into any subsequent sessions for any reason.
 - For Weather Related Make-Up Class Policy – SEE BELOW!

WEATHER CANCELLATIONS

- You know that we are not able to control the weather and weather is a risk enrolling for an outdoor class you are willing to take, seeing that we are in AZ and it is very rare.
- Should there be a chance your location will be rained out please plan on the following:

- Checking our website ([weather tab](#)) and calling our voicemail as when possible we will keep these as updated as possible.
- Going down to the field to see if there are classes as our Coach will be there for the first set of classes providing the office with updates. They may also stay if the weather looks like it may clear up. PLEASE REFER TO CHECKING THE WEBSITE.
- **Add us to [Twitter.com](#): Beginners Edge Sports or [@BeginnersEdge](#)** as we send our updates there as well.
- These classes will be subject to a make-up should you choose to make-up this time but unfortunately this can not be used as a class credit. This make-up must be made during the same session of enrollment unless it is the last week of the session whereas you will be able to schedule a make-up anytime **after the first week** of the next NEW session **IF enrolled in that session.**
- **If you are NOT enrolled in the next NEW session** you can call AFTER the 2nd week of the session is over then we can try to schedule you based on availability on a first come first serve basis. We do hold the right to reserve and limit the number of makeups in a class. PLEASE do not just go to a class thinking there is room as you could be turned away. Please schedule through our office.
- Please note, it is not B.E.S.T.'s responsibility to contact everyone about weather related issues since we have no ability to contact hundreds of participants due to changing weather conditions across the Valley.
- We do sometimes create make-up classes as well at a Central location. Although not convenient for everyone, we find that many people do not come to make up classes and having one central location and a sign up sheet ensures that we will have attendance at these classes. The sport and the age groups are up to the discretion of the business, so we do apologize in advance if the sport you missed is not being offered.

PAYMENT/COUPONS/DISCOUNTS/CREDITS

- Sessions must be paid for in advance in full. Cash, Money Orders, MasterCard or Visa is gladly accepted.
- Checks will not be accepted for any reason.
- *******Should you choose an incorrect price when registering online, or the amount get erroneously charged we can adjust your invoice without permission to the correct pricing as listed on our website.******
- Coupons/Discounts are not retro active and must be applied and mentioned at the time of registering for a class, party or activity. The only time this does not apply is when paying online and a session has already begun. In this case we will pro-rate as required for the number of classes participating in.

- When using a **Living Social or Group-on** (as available), these must be applied by calling the office and registering over the phone during business hours of M-F 10-3. As long as a message is left during these business hours OR on or before the expiration date we will honor the price dictated by the Living Social or Group-On. These discounts can NOT be combined with any other discounted pricing including early enrollment. These can only be applied against full price sessions.
 - You may only use a Living Social or Group-on type discount 2 x's over the lifetime with B.E.S.T.
- Discounts and coupons are not applicable for Special Facility/Enrichment/School programs where special program pricing/contracts have been negotiated.
- **ACCOUNT CREDITS** – Must be used by calling the office to register. Should you register online then realize you have a credit, B.E.S.T. can NOT and will not apply the credit afterwards. If issued a Class credit due to group on or Living Social or other discount site these are only good for classes and do not carry monetary value to be applied for other purposes. Credits will NOT be applied once a registration is processed. It is NOT the Company's responsibility to notify you of a credit on your account as we do not access your personal files when processing registrations/transactions.

PRORATE POLICY

- Classes can be pro-rated for customers once the session is in progress but not before the first class of the session
- Pro-rated fees are calculated based on the number of classes remaining in the session NOT the # of classes a customer can attend.
- Customers requesting a prorated fee based on the number of classes they can attend will be reminded of the make-up policy.
 - Example: You register and there are only 6 weeks left – you pay for the 6 weeks
 - Example: You register and there are only 6 weeks left and you can only make 4 weeks – you will pay for the 6 weeks.

INSTRUCTOR REQUESTS

We understand that once your child finds an instructor with whom he or she is comfortable, you may want to continue with that instructor.

- We will try our best to accommodate you with your request; however, we can not guarantee that you will be assigned the instructor that you request.
- Because all of our teachers are excellent and bring along their personalities and skills we feel that it may benefit your child to take classes from a variety of instructors.

INSTRUCTOR SUBSTITUTIONS AND ABSENCE

We schedule our instructors to avoid any unnecessary staff absences; however, at times an instructor may be unavoidably absent.

- Should your instructor be absent, we will provide a competent substitute or provide you with a facility option close in proximity.
- In the extreme case, when no substitute can be provided...
 - we will arrange a makeup class or...
 - issue a voucher worth the full value of the class or...
 - find a location within 10-15 miles of the current location
- We at no time guarantee the same instructor all session long although we do work hard to maintain this continuity. Human resource management is the toughest job our Company has due to the part time nature of the positions.

PARENTS ROLE SEE "WHAT TO EXPECT"

As our classes and curriculum are based on age, there will be differences in the progress of your child versus the other children.

- - Please do not compare. Just as children learn to walk and talk at different rates, they will progress in B.E.S.T. programs at their own pace.
 - Praise even the smallest accomplishments.
 - Let your child know that you are proud of them. Positive reinforcement is always one of the greatest tools in any learning experience.
 - At B.E.S.T. we utilize a pull philosophy, rather than a push philosophy
 - We feel it best to include them in activities they enjoy partaking in, rather than pushing them into an uncomfortable situation.

BABIES

They are welcome to observe the class but for safety reasons, we may not allow these younger children to walk and crawl around the field and play with equipment on the same field as the class.

- If you wish, you may ask the instructor for some equipment for the child to play with in another area where classes are not being conducted.

OLDER SIBLINGS

They are welcome to watch but due to the focus and attention required in these classes we may not allow them to participate in the class in any manner.

- This is also to prevent injury to the participation children.
- Older children will be asked to leave the field should they be a distraction to the class.

CRYING CHILD or SICK CHILD...

Please read all.....Although children who do not stop crying will be asked to leave until they are ready to join us again.

- There are many reasons why children cry; separation from parents, feeling out of control, afraid of a new situation, hunger, or tired. Each and every reason will go away with time and positive reinforcement, except for hunger and tired. Therefore, please pick times that do not directly conflict with your child's nap time and please feed the hungry tummy prior to class. Each instructor can share many stories with you about reluctant, fearful or shy students that end up happy. Please remember, crying, fussing, non-participation is much more difficult for the parent than the child or the instructor.
- If you should see your child is truly upset or crying non-stop, please feel free to come and join them on the field as long as you feel it be necessary.
- If you can not stop your child from crying please exit the playing area as it makes it very difficult for the kids and Coach to focus.
- Children who can not stop crying will be asked to leave.
- **SICK CHILDREN – Please keep your child home if they are sick. As a courtesy to our coaches and the other children in our program, we require that if your child has been sick they must be BOTH fever, and symptom free for a MINIMUM of 24 hours before attending any B.E.S.T. Programs.**
- **Should they come to a program sick, or get sick during it, you will be asked to either take them home, or come pick them up and take them home right away, as they cannot be at the program. We are happy to work with parents on this, as we understand it is nearly impossible for kids to avoid getting sick at some point.**
- **Should your child be sent home sick from Sports classes, you can call the office and we will schedule a make-up class for your child at the nearest availability.**
- **Should your child be sent home sick from camp, we will credit your child's account accordingly based off of their registration and participation to that point. You must provide a doctors note within 5 days of being sent home, and or not attending (From an AZ doctor) for credit to be issued.**
